

**Forensic Anthropology Center  
REQUEST FOR DESTRUCTIVE SAMPLING FORM**

3. Justify why these tissues are critical for the proposed research. Can non-osseous or non-human materials be used in lieu of bone samples?

4. Provide specific protocols that address how the samples will be collected.

5. Justify why this sampling protocol is the least intrusive method possible.

**Forensic Anthropology Center  
REQUEST FOR DESTRUCTIVE SAMPLING FORM**

9. Is IRB approval required from your institution? If so, has approval been granted?  
Provide appropriate documentation.

10. Add any other information that you feel is pertinent to this request.
