How is the UTK Donated Skeletal Collection relevant to your research question?

Provide a synopsis of the examination procedures (methods) to be followed. You may also attach a research or grant proposal as an attachment. Students must attach a proposal that was approved by their department/committee.

Does your research at the FAC involve radiographs? \_\_\_\_\_ Yes<sup>1</sup>      \_\_\_\_\_ No

Does your research at the FAC involve photographs? \_\_\_\_\_ Yes<sup>2</sup>      \_\_\_\_\_ No

<sup>1</sup>Be sure to follow the guidelines of the FAC Protocols for Research Requests for radiographic equipment.

<sup>2</sup>Photographs of bones must be composed such that the printed donation number is not visible. If this is not possible, apply a black box to cover the donation number prior to publication or presentation. This assures that the donors remain anonymous.

I agree to the following:

1. Provide the Forensic Anthropology Center with a copy of the data collected.
2. Provide the Forensic Anthropology Center with a copy of all results, including theses, dissertations, manuscripts and publications.
3. Provide the Forensic Anthropology Center with a copy of any photographs taken.
4. No social media postings or photography within the lab or of donor materials.

I have read the attached Guidelines for Collection Research.
